

Our Twenty-First Century Vision and Mission

21st Anniversary – with innovative and assertive globalized vision

A Message to our Valued Clients

As we celebrate our 21st Anniversary, this important milestone concludes that we are innovative thinkers and leaders in the customized training and management consulting industry because of our company's high standards of quality, professional staff and stakeholders. Clearly, we are visionaries and pioneers in our customized training design, delivery and offerings.

With over 600 customized industry training courses, every day we help to solve the training and management challenges of many corporations with proven results. We are indeed problem-solvers with numerous strategic training and management solutions. Undoubtedly, our market research, the understanding of demand and supply, as well as information-gathering analysis have been perfected.

To achieve excellence, all of our training courses are uniquely and extensively customized to be comprehensive, while massive efforts and major investments are underway to ensure that Cohen and Klein Consulting is the ultimate choice for staff training and development.

Indeed, we are fully aware of our competitors, and have laid many strategic foundations for future generations. We will never rest on our laurels. Our impressive list of clients, testimonials, and stakeholders confirms our customized training results over the past 21 years.

Strategically, we have been poised, but now we are fully equipped to launch into the next 21 years and beyond; with practical, realistic and decisive business vision globally, with specific market expansion and emphasis on the Caribbean, North America, Israel, Malta, The Philippines, Singapore, Hong Kong, as well as on the continent of Africa.

We are sincerely grateful to our extensive list of clients -- the value of your support is priceless and beyond measure. As we move into the future, to those corporations and individuals who are not yet included in our network of clients, please be assured that in due course, we will be "knocking" politely on your doors to earn your business.

Clearly, our vision into the 21st Century is practical and realistic. Indeed, we are innovative visionaries and pioneers towards changes in our globalized society. The "blueprint" for over 600 customized industry training courses is in the hands of Cohen & Klein Consulting, Inc. Now is the time to form an alliance or collaborative partnership with Cohen & Klein Consulting, Inc. to maximize emerging markets and revenues. Together, let's agree that national economic advancement is meaningless without relevant training.

Sincerely,

Management & Staff -- Cohen & Klein Consulting, Inc.
